Chief & Council, and Community Technician

RE: Bell Broadband Upgrades Phase 1: UPDATE

Thank you for your continued support of the head-end 10Gbps broadband upgrade project.

We have been notified that on Tuesday, Oct 24th Bell technicians are going to several sites on behalf of KNET, starting at the Pickle Lake end. They will be doing fibre testing and will cover the remaining sites in a ten-day stretch. These sites include:

- Pickle Lake
- Slate Falls
- Cat Lake
- Kingfisher Lake
- Wunnumin Lake
- Kasabonika
- Wapekeka
- Big Trout Lake

Thank you for hosting the KNET team and teams on behalf of KNET in your communities.

Meegwetch,

Jesse Fiddler, KNET Director
Jessefiddler@lp.knet.ca (807) 737-1720
